**Subject: Entry/Exit Procedures for Project Crafts**

All Project crafts are required to adhere to following procedures for Entry/Exit from Jebel Dhanna Ruwais with immediate effect:

- a) All project crafts shall obtain permission from Ruwais VTIS on VHF Channel # 21 prior entry/departure.
- b) Entry, departure and transit for combination (tug and tow) shall be carried out only during Daylight.
- c) All project crafts shall use Yabr channel for transiting in & out of Jebel Dhanna Ruwais, unless otherwise advised by Ruwais VTIS.
- d) While transiting Yabr Channel, the Master/Skipper shall report to Ruwais VTIS on VHF Channel # 21, when passing the following buoys:
  - East Ghasha
  - North Yabr
  - Yabr Channel
  - South Yabr Channel
- e) Keep well clear, give way to all other port traffic and follow instructions given by Ruwais VTIS at all times.
- f) The combination (tug and tow) will be escorted by a suitable Port craft from East Ghasha channel entrance to the Project Site and vise-versa.
- g) Free running craft will not require escort boat and are allowed to move during the hours of darkness, unless otherwise advised by Ruwais VTIS.

All port users are to comply with the above requirement at all times.
